

éclos Anti-Aging Facial Cleanser Skin Prep

What It Is:

✓ First mass facial cleanser containing high-potency apple stem cells extracted from the rare Swiss apple, Uttwiler Spätlauber

✓ Natural cleanser with high-end spa feel, and results, at mass-market prices

What It Does:

✓ Purifying lather removes makeup and daily debris, helping to refresh skin and purify pores

✓ Preps skin for subsequent treatments by balancing the skin's pH level with PhytoPlex24™, a proprietary mix of anti-inflammatory and antioxidant botanicals

How To Use:

With gentle circular motions, massage a quarter-size amount onto damp skin. Rinse with warm water. Use twice daily.

Key Ingredients:

✓ **Malus Domestica Fruit Cell Culture***, which contains **stem cells from the Uttwiler Spätlauber apple** to stimulate skin stem cells, encouraging aging skin to behave like younger skin

✓ **PhytoPlex24**, a proprietary mix of botanicals that help minimize the appearance of fine lines and wrinkles, while delivering a smoother, more radiant complexion

✓ **Palmitoyl Glycine**, a natural skin nutrient and regenerator derived from wheat protein

Natural Fragrance:

Each of the éclos products is scented with a clean and fresh blend of all-natural essential oils including rosewood, ylang ylang, palmarosa, cardamom, and geranium.

What It Does Not Contain:

Does not have parabens, sulfates, synthetic fragrances, synthetic dyes, or petro-chemicals (potentially harmful synthetic chemicals derived from petroleum).

Suggested Retail Price/Size

\$14.99 / 6.8 fluid ounces / 200ml

Where to Buy:

Nationwide at food, drug and mass stores, including Target, Ulta, Duane Reade, Walgreens, Rite Aid, and Fred Meyer

** In clinical testing, conducted by the manufacturer of the **Malus Domestica fruit cell culture**, 100% of study participants saw an improvement in skin texture and wrinkle appearance within just 2 weeks of twice-daily application of the ingredient.*

éclos Anti-Aging Cellular Activator Face Serum

What It Is:

✓ First mass facial serum containing high-potency apple stem cells extracted from the rare Swiss apple, Uttwiler Spätlauber

✓ Natural serum with high-end spa feel, and results, at mass-market prices

What It Does:

✓ Lightweight serum nourishes skin cells, enhancing their ability to function like younger cells.

✓ Promotes collagen production and stimulates the growth of connective tissue, giving skin a more youthful look.

✓ Helps visibly reduce appearance of fine lines and wrinkles and protects against environmental damage.

How To Use:

Smooth serum over clean, dry skin in morning and evening. For optimal effects, use under éclos Moisture Therapy Regenerative Cream.

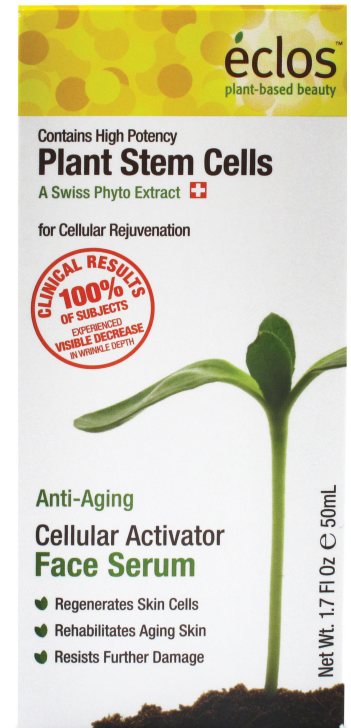

Key Ingredients:

✓ **Malus Domestica Fruit Cell Culture***, which contains **stem cells from the Uttwiler Spätlauber apple** to stimulate skin stem cells, encouraging aging skin to behave like younger skin

✓ **PhytoPlex24**, a proprietary mix of botanicals that help minimize the appearance of fine lines and wrinkles, while delivering a smoother, more radiant complexion

✓ **Matrixyl® 3000**, a combination of two pentapeptides, Palmitoyl Oligopeptide and Palmitoyl Tetrapeptide-7, which promote collagen production while stimulating the growth of connective tissue

✓ **Palmitoyl Glycine**, a natural skin nutrient and regenerator derived from wheat protein

✓ **Sodium Hyaluronate**—the salt of hyaluronic acid—helps the skin attract and absorb moisture more effectively, hydrating skin

✓ **Vitamins E and B5** (panthenol) work as antioxidants to fight aging free radicals, and improve skin elasticity

Natural Fragrance:

Each of the éclos products is scented with a clean and fresh blend of all-natural essential oils including rosewood, ylang ylang, palmarosa, cardamom, and geranium.

What It Does Not Contain:

Does not have parabens, sulfates, synthetic fragrances, synthetic dyes, or petro chemicals (potentially harmful synthetic chemicals derived from petroleum)

Suggested Retail Price/Size:

\$24.99 / 1.7 fluid ounces / 50ml

Where to Buy:

Nationwide at food, drug and mass stores, including Target, Ulta, Duane Reade, Walgreens, Rite Aid, and Fred Meyer

** In clinical testing, conducted by the manufacturer of the **Malus Domestica fruit cell culture**, 100% of study participants saw an improvement in skin texture and wrinkle appearance within just 2 weeks of twice-daily application of the ingredient.*

éclos Anti-Aging Skin Renewal Clay Mask

What It Is:

✓ First mass facial mask containing high-potency apple stem cells extracted from the rare Swiss apple, Uttwiler Spätlauber

✓ Natural clay mask with high-end spa feel, and results, at mass-market prices

What It Does:

✓ Cleanses skin, absorbs impurities, and helps unclog pores

✓ Helps restore smooth, youthful texture to skin

✓ Tightens pores, minimizing their appearance

How To Use:

Smooth a thin layer of mask over clean face, avoiding the eye area. After mask hardens (between 5 to 10 minutes), rinse thoroughly with warm water. Use twice weekly for maximum benefits.

Key Ingredients:

✓ **Malus Domestica Fruit Cell Culture***, which contains **stem cells from the Uttwiler Spätlauber apple** to stimulate skin stem cells, encouraging aging skin to behave like younger skin

✓ **PhytoPlex24**, a proprietary mix of botanicals that help minimize the appearance of fine lines and wrinkles, while delivering a smoother, more radiant complexion.

✓ **Palmitoyl Glycine**, a natural skin nutrient and regenerator derived from wheat protein

✓ **Kaolin**, a clay, helps draw out impurities and clear skin of excess oil

Natural Fragrance:

Each of the éclos products is scented with a clean and fresh blend of all-natural essential oils including rosewood, ylang ylang, palmarosa, cardamom, and geranium.

What It Does Not Contain:

Does not have parabens, sulfates, synthetic fragrances, synthetic dyes, or petro chemicals (potentially harmful synthetic chemicals derived from petroleum)

Suggested Retail Price/Size:

\$12.99 / Net Weight 5oz / 147ml

Where To Buy:

Nationwide at food, drug and mass stores, including Target, Ulta, Duane Reade, Walgreens, Rite Aid, and Fred Meyer

** In clinical testing, conducted by the manufacturer of the **Malus Domestica fruit cell culture**, 100% of study participants saw an improvement in skin texture and wrinkle appearance within just 2 weeks of twice-daily application of the ingredient.*
